

Level	Beginning
Type	Individual Assignment
Topic	Film History
Points	50 points
Media	PowerPoint presentation
Objective	The student will illustrate their film history paper through the use of a PowerPoint presentation.
Directions	Students will use the internet during and after class to locate images that will support the telling of their history paper. Students are encouraged to think out-of-the-box in developing their PowerPoint presentation. Presentations must be complete with illustrations of significant points that their papers emphasized, and the notes section for each slide should give complete details for their presentation. Citing of pictures should take place on the slide that the image is presented on, using size 10 or 8 font. Special note on the use of images within a PowerPoint, students should find large jpg's, the use of thumbnails or blurry images in the final PowerPoint presentation will not be acceptable.
Format	Your PowerPoint presentation can be submitted by display, email, or R-DVD.
